Section 1: Introduction

Chapter-1: The Meaning of Friendship

Friendship is a special bond between people who trust, respect and care for each other. A true friendship is not about how long we know someone but about how much we understand and support each other.

Figure 1.1 The meaning of Friendship

Chapter-2: Overview of Harry Potter Series

Figure 1.2 The Hogwarts school

Harry Potter is a fantasy series about magic, adventure and friendship written by a famous British author called J.K.Rowling. This series mainly shows the true value of having friends and how friendship helps to overcome when they encounter difficulties at their ages. (Eldridge, 2019)

Section 2: The Golden Trio

Chapter-3: How their Friendship began

The Golden Trio's Friendship began on the Hogwarts Train, where Harry & Ron first met and quickly bonded. They didn't become friends with Hermione until Halloween, when Harry and Ron saved her from a mountain troll. Unexpected situation created one of the strongest friendships between them. (Anonymous, 2026)

Chapter-6: Lessons from Friendship in Harry Potter

Forgiveness, Understanding & Respect

Every friendship has disagreements and misunderstandings. However, Forgiveness helps people rebuild broken relationships. The Golden Trio Friendship teaches us the importance of understanding and second chances. It is clear that Jealously, Selfishness and dishonesty can damage healthy relationship. We should treat each other with respect, honesty and love.
